

THE WOLF

Phyllis,
I have really
enjoyed going to
school with you this
year. I think that
I just got to know
you this year and
I hope we will
still be as close
the rest of our
years.

Love ya,

Phyllis,
I've really enjoyed going
to school with you this year.
I'll never forget cheerleading
with you and that week at
clinic. You have a wonderful
personality and the ability to
keep people laughing all the
time. Best of luck in everything.

Dear Phyllis
I guess that's the
way you're suppose
to start. But anyhow
I'll tell you that
you're a sweet, lovable
kid and I like you
a lot. I think that
you and Buddy will
make a lovely couple
so good luck.

To a sweet girl, who always
remembers, just stay as sweet to you
we now and you will go far in life.
May God bless you in everything.
A true friend
Linda

Phyllis:

I have enjoyed teaching you again

it. Always be your self, you couldn't
be a nicer person.

Ms. Wilson

Phyllis,
I have certainly
enjoyed going to school
with you. I hope
you will have as many
good times in the future
as we've had in the past.
I know we'll always be
friends. Stay Sweet. Love,
Cheryl

Phyllis,

I sure do enjoy being around you. Believe me
Phyllis you have a wonderful personality and don't
ever let anybody tell you different. I hope we
can always be friends and if there is ever
anybody I'd want to be like it would be
you. Please stay just like you are for
everybody's sake. I think your Tops,
Your Friend,

DEDICATION

MRS. GEORGE STEWART

In dedicating the 1961
WOLF, the senior class has
chosen a poem which we
feel truly exemplifies the
spirit of our teacher and
friend.

I would not ask a richer, nobler task
Then teaching, in a warm and human way,
To hold the luster of the eyes that look
To me in hope, in confidence - today.

Beneath that childish, lighted look that
Shows in eyes upturned to call me to my task,
There lies a host of dreams - tomorrow's dawn.
The grace to guide them wisely, God, I ask.

The light is there; my task, to focus it
Upon the truth that keeps man's spirit free
To live and learn, to give and gain, to reach
The stars that in their searching eyes, I see.

--Prettyman

To a very
sweet girl whom
I have enjoyed going
to school with. Best
wishes in the future.
Always

To a real sweet girl. I have really
enjoyed being a cheerleader &
playing basketball with you,

Phyllis. I hope ya'll have

a lot of luck next year. - football

and basketball. Hope you do better in the tournament than
we did last year. I'm so glad you got into U.H.S. & know you
are proud. I sure was when I got in. Just keep up the
good work & no telling how well you will do. A proud
father

Phyllis,
you have, ma amie, what
the French, a certain savoir
faire or personality plus. Never
shall I forget that "un, deux, trois"
episode during picture-making.
It has been a wonderful experience
teaching you.

Vous êtes une belle jeune fille -
très intelligente.

Bonne Chance -

Votre amie,

Anne Demers

Words could never
express what you have
meant to me this year.
It's a pleasure to
work with such a
dependable student. I
know you've had your
problems, but, hon, they
are just beginning.

You have a good
head and I'm sure
you can deal with
any problem that
may confront you.

Good luck at making
that main string next
year. I know you can
do it!

Cie Sue said before I
think you have a wonderful
family. one that I admire
greatly! And later in life
you can see its importance.

I could go on, but I
guess you know by now
that I think you are the
very greatest! Come to see me -
I'll be there. Love, Anne

Everybody will end up in
two years. It will really
be exciting. Just stay
as sweet as you are now &
I hope we won't ever have
any quarrels to bump up our
friendship.

Love always,

I just wonder how
you have the sweetest
personality I've ever seen.
I really think (and my mom
also too) you make the
best cheerleader Gillett
High School has ever had or
ever will have.

friend I need and need
to be in high school. I
hope you get a chance to
the remaining years
because you are the only
very good one. I think
you are very funny, some-
times and always telling

Dear Phyllis,

Right now I can't think
of much to say, but it
sure is fun knowing
you. You have a won-
derful personality and
you are very, very, cute
and sweet. Phyllis, I
just can't write how
much your friendship
means to me. I guess
we have had our little
quarrels just like every-
body else, but lets try
not to have anymore.
Phyllis just stay as
cut and wonderful as
you are. Lots of luck
always.
